REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record fails to show or to suggest a method for optical measurement of an optical system comprising of all the steps as presently claimed where a distortion error is determined by determining a distortion function from a comparison of detected actual positions of interference fringes with computational desired positions when changing one or more external parameters, the change in the at least one external parameter comprising at least one of a change in the position of a detector arrangement or of a mask structure of a measuring device parallel to a main optical axis, a change in the wavelength of the measuring radiation, and a change in aberrations through adjustment of xy-manipulators or z-manipulators of the measured optical system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Hwa S. Lee whose telephone number is 571-272-2419. The examiner can normally be reached on Tue-Fr.
